The mission of the Whitehall Chamber of Commerce is to bring individuals, businesses and organizations together to enrich our community.

Happy New Year! The Whitehall Chamber of Commerce is already in the planning stages for 2023, with youth events at the forefront. In the past, the Chamber was able to incorporate many fun kid’s activities into our events with the help of our donors.

Easter Egg Hunt: April 1
Frontier Days: July 28-29
(Art in the Park, Tractor Pull Prizes, etc.)

Whitehall Pool Pass Donations
Fall Festival: September 23
Christmas Festival: December 9

The Whitehall Chamber of Commerce can only achieve its goals with the assistance of generous donations and volunteers from members of our community. Without these donations and time, serving those in our area creating a memorable experience for the youth of Whitehall would not be possible. Our goal is \$3,000.00 to successfully put on the below kid’s activities throughout 2023. Your donation to the Kid’s Fund will help us purchase Easter candy and prizes, gingerbread house kits, Halloween candy, art supplies, pool passes and so much more! If you have any ideas to improve the kid’s activities or if you can spare time to help at any of these events, please let us know. As the saying goes, it takes a village.

To express our gratitude to you, we will be placing a Thank You ad in the Whitehall Ledger listing you specifically as a sponsor. Please respond by March 22nd to make the Thank You ad.

Thank you for your time and consideration! With your help, we can make 2023 another amazing year for our community!
